DENNINGTON WI ANNUAL REPORT 2016/17

With the closure of Badingham WI our membership has increased to the extent that due to the size of our meeting room we now have to operate a waiting list.

Another very successful year that has been enjoyed by all members, with a varied programme of speakers.

January..... A talk from SARS.

February.... 1000 years of costume.

March..... Travels of a microbiologist.

April..... Wild flowers.

May..... Resolutions.

June..... Work of a funeral director.

July..... A walk around Framlingham town and cemetery.

August..... Flower arranging.

September.. Protection of the decreasing numbers of hedgehogs.

October..... An open meeting with Stephen Bayford.

November.. Our annual meeting.

December... Our ever popular Christmas party.

Extra activities included a visit to the flower tunnels of a local grower, support to Ipswich hospital with the knitting fiddle ~~netts~~ and providing cakes for the open day of a local farm.

M. J. J.
