Report for Parish Council Meeting

Dennington WI has enjoyed a very successful year, maintaining our membership at 40.

Chris Thomas has produced an excellent programme of speakers throughout the year. Members attended several Federation events including the annual meeting held in March at Trinity Park.

We continue to plant and maintain the flower tubs at the village hall, joined in the village litter pick and support the Beehive and Lighthouse projects.

In addition hosted a very successful Cream Tea event raising over £500 towards the village hall refurbishment fund.

Having to move to the school hall whilst the building work was in progress we were unable to hold our annual Christmas Party, so a large group of ladies attended the Nutcracker at Snape Maltins.

To celebrate our return to the village hall we held a Valentines Dinner for over 60 members and visitors with catering supplied by Steve Hambling.
