4. PLANNING APPLICATIONS: DC/18/3566/FUL: Land north of Saxtead Rd: Retention of landscape features and equipment sheds forming part of the previously approved wildlife pond:
Ch Cllr R. Wardley summarised the background and reminded councillors that permission for the wildlife pond had been granted in 2016. He then invited Mr K. Cattee to address the meeting.
Mr Cattee stated his objection to the application on the grounds that once granted, the equipment shed could easily be converted into something bigger. He also expressed concerns regarding both noise and light pollution from the equipment shed.
Councillors noted Mr Cattee's concerns, and discussed whether the pond was a wildlife pond or a swimming pool as it already had steps and a jetty. Councillors expressed concerns regarding the number of structures and buildings on the site and whether it was becoming over-developed. Councillors voted with a majority of 5:1 in favour of recommending approval, with a recommendation that the shed be soundproofed.
