There are parking related issues, resulting in obstructions in Leiston.

We did...

We have continued to conduct parking related patrols.

Responding to issues in your community

We have continued to work with our local retail outlets to promote our GET SMART campaign due to an increase in burglaries and thefts from work vans of power tools. Extra patrols have taken place in areas where burglaries have been experienced from officers in both uniform and non-uniform.

Your local officers met with Mental Health professionals at the Heath Road Hospital to discuss a vulnerable female residing in the Leiston area. Agencies are working together to help support this individual.

During the recent "BEAST FROM THE EAST" heavy snowfall, your officers endeavoured to assist motorists and keep the roadways clear.

Making the community safer

There has been a Joint Agency and Professionals meeting at Leiston Doctors Surgery to discuss ongoing issues with a local venerable female with alcohol dependency.

In Framlingham, various products were seized found dumped in a public place. These are believed to be from a cannabis cultivation scene. This is believed linked to other deposits throughout the county and part of a force wide operation.

Preventing, reducing and solving crime and ASB

Following a recent fire at Saxmundham railway station, your SNT liaised with the British Transport Police who have interviewed four youths in relation to this matter. Enquiries are still ongoing and no formal decision has been made.

The SNT have assisted the Council Licensing team, following an alleged assault at a public house in Saxmundham which resulted in a month long suspension of the premises license, pending a review.
